

BENITEC LTD

TWITTER GUIDELINES & USAGE POLICY

Benitec currently maintains a corporate Twitter account @*****

Benitec recognises the importance of new communications channels for engaging with our investors, stakeholders and the general public in a meaningful dialogue. As a biotechnology company which is developing new products for human health, we are committed to upholding the ethical, regulatory and legal standards which are unique to our industry. By establishing a presence on Twitter and other social networks we seek to engage with our audience in a transparent and responsible fashion.

We aim to utilise social media to enable a dialogue that is productive and consistent with our Company's mission, legal obligations and communications protocols. As with all our communications, our use of this Twitter account will comply with our obligations as an ASX listed entity under the [ASX Listing Rules](#) and will be guided by the [ASX-AusBiotech Code of Best Practice for Reporting by Life Sciences Companies](#). Thus, we have provided the below guidelines to assist you to understand how we use this platform and to provide context to future responses, recognising that some of these may appear limited at times.

Guidelines

- We will abide by [Twitter's Guidelines and Best Practices](#) and expect those that interact with us to do the same.
- We would like to remind all users that Twitter is a public space on the internet and most interactions are publicly viewable and searchable over time.
- We thank you for your @replies and mentions and we will endeavour to respond to them. We will not, however, respond to personal attacks, foul language, derogatory remarks, unsubstantiated claims or subjects which do not directly relate to Benitec.
- We may not be able to respond to your @replies and mentions immediately or in full.
- There may be some comments that we are unable to address, including but not limited to financial matters, legal issues, ongoing regulatory affairs and other elements of the business.
- We welcome your contribution to the dialogue and appreciate links or resources to support any claims you may make.

Usage Policy

- Benitec Ltd may choose to follow users on Twitter that are involved with, relevant to, or actively discussing issues relating to Benitec Ltd and our interests.
- Being followed by, or following, particular users in no way constitutes an endorsement of the user, their organisation, products, views or opinions by Benitec Ltd.
- Organisations that follow Benitec Ltd on Twitter will not automatically be followed or liked back.
- Benitec may provide links to external content as a component of our tweets. The links are provided for your convenience only, and do not imply that we check, endorse, approve or agree with any third party website (or the content on such website) that this account links to.
- Benitec reserves all rights to the Benitec Twitter account, including, but not limited to, all rights to add, remove or modify any content posted on the account; discontinue our use of the account; control who has access to following the account; and, respond or not to any questions or comments directed at the account.
